Enclosure.

10th September, 1921.

Dear Sirs,

S. I beg to acknowledge the receipt of your letter of the 9th instant, and note that the Steamer "BURFORD BRIDGE" is now your property.

I enclose herewith a request form for the classification of this vessel, and should be obliged if you would be good enough to fill in the necessary particulars, append your signature and return the form to me.

I may add that no plans of this vessel are available in this Office, and if it be possible to obtain plans of the vessel as built, perhaps you will be kind enough to forward the same to this Office for examination?

The Society's Surveyors at Ipswich were instructed on the 1st instant to make an examination of the vessel and to proceed with the requirements of Section 48 of the Rules relating to ships not built under survey and to obtain particulars of the scantlings by actual measurement of the ship.

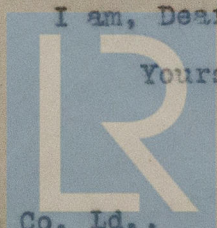

I am, Dear Sirs,

Yours faithfully,

Messrs. The Onslow Steamship Co. Ltd.,

53, Gracechurch Street,
E.C. 3.

Assistant to the Secretary.
