Reference

Sir,

s/s 'Fordonian'

With reference to your letter of the 24th inst. I beg to report that I met to day the owners representative, the Board of Trade Surveyor, and my colleagues Mr. Heck Mr. Austin on board this vessel to day when it was arranged to strengthen the hatches, fit some ^{pillars} under the oil tanks & build upon the awning deck aft. to suitably prepare the vessel for her intended voyage across the North Atlantic.

I also pointed out again that the Winter North Atlantic Line^{ms} required to be marked on the sides of the vessel, when verified & work recommended in hand, the new freeboard certificates now in this office will be exchanged for the original ones now on board, which will be returned for cancellation.

I am Sir,
Your obedient servant
Edward J. Mervin

The Secretary
