Nature of Survey

When due

This vessel was built in 1916 and classed with this Society in July 1921 when notation of s.s. No.2 was assigned.

It is submitted that in view of the extent of the survey held in June 1921, notation of s.s. No.2 might be amended to s.s. No.3-6-21, in which case the s.s. No.1 will become due 6-25.

The Rotterdam Surveyors should be informed accordingly.
