Dear Sir,

J
S/S "BALTEAKO".

We have to acknowledge yours of 23rd instant reminding us that the Load Line survey is due on 19th April next. This vessel is at present based at Gibraltar, and in the present circumstances we are unable to make any arrangements for the Load Line Survey and General Examination for maintenance of class, but all surveys will be dealt with when the vessel becomes available.

S/S "BALTONIA". We take this opportunity of advising you that this vessel is expected in the Forth in about ten days, and the outstanding surveys will have attention at that time.

Yours faithfully,

[Signature]
Superintendent.
