Sir,

I beg to acknowledge the receipt of your letter of the 5th instant in regard to the proposed conversion for the carriage of whale oil in bulk of the S.S. "POLITICIAN", the contents of which are noted.

With reference to the last paragraph of your letter, enquiries have been made to-day of the Society's Surveyors at Leith and Mr. Thomas states that he is informed by Mr. Salvesen that it is intended that this vessel shall retain her class with this Society.

The Leith Surveyors have been asked to communicate at once with this office in the event of any change being made in this arrangement, and in any event, Dr. Montgomerie will take any action which may be considered advisable when he visits Leith, which he proposes to do next week.

I am, Sir,

Your obedient servant,

The Secretary,
