Dear Sirs,

M.

Messrs. Nederlandsche Scheepsbouw My's Yard No.283.

I duly received your letter of the 16th instant, advising a copy of the plan, approved in the Rotterdam Office, of revised midship section for the above vessel, and have to thank you for your attention in this matter. I may say, however, that in a case such as this it is usual only to make a notation in respect of the welding of the shell and strength deck.

Yours faithfully,

Secretary.

The Surveyors,  
ROTTERDAM.
