16th July, 1946.

Dear Sirs,

Messrs. Nederl. Scheepsbouw My's Yard No. 283.

I enclose herewith a modified plan of Midship Section submitted for consideration by the Builders for the above vessel and with regard thereto I have to state that, provided the arrangements be carried out as shown and amended and to your satisfaction, they will be approved.

It is observed that more parts of the structure will be electrically welded, including the seams of all decks and inner bottom, and with regard thereto I have to say that a suitable notation will be recorded in the Register Book in respect of this vessel. *welding*

Yours faithfully,

encl.

W. J. O. Roden.
