Dear Sir,

All communications to be addressed to
THE SURVEYORS.

N.V. Ned. Scheepsbouw My. No. 280.

M

With reference to your letter of the 7th inst. relative to the above vessel I have to enclose herewith a plan in duplicate, showing the pillaring arrangement now submitted by the Builders and proposed in accordance with the agreement given in the above letter.

The Builders state that the amended arrangement of pillars in the shelter tween decks from that previously approved for the vessels built in Danzig is as desired by the Owners.

My own opinion regarding these proposed thicknesses is expressed in my letter of the 6th instant, which, it is presumed, is now in your possession, and I shall be glad to receive one copy of the plan returned after consideration.

I am, Dear Sir,
Yours faithfully,

L.R. Edgar
