Dear Sir,

All communications to be addressed to  
 THE SURVEYORS.

Messrs. Nederlandsche Scheepsbouw My. No.280.

M

I have to forward under separate cover for early consideration a plan in duplicate giving side framing, beams, deck thicknesses and arrangements proposed by the Builders for the above vessel, the midship section for which was forwarded at the same time as my letter of the 29th of last month.

Owing to the difficulties of the present situation the Builders are anxious to be able to order the material at the earliest possible moment and I shall be glad to be informed as early as possible regarding these scantlings, if possible by wire.

If in the meantime the plans cannot immediately be dealt with will you kindly state when this <sup>will be</sup> possible and an endeavour will be made to approve the scantlings here in order to meet the Owners & Builders in the matter.

I am, Dear Sir,  
 Yours faithfully,

*L. R. Edgar*
