1. The first part of the document is a letter from the author to the editor, dated 1911. The letter is signed "H. H. H." and is addressed to "The Editor, The New York Times." The letter discusses the author's interest in the history of the city of New York and mentions that the author has been working on a book about the city's history. The author also mentions that the book is intended to be a history of the city from the time of its founding to the present.
