T. Dear Sirs,

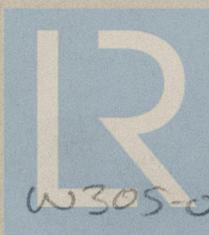

I duly received your letter of the 6th instant in regard to the amount of Lit. 325 which appears on Genoa report No. 12111, in connexion with the s.s. "ALABAMA", and I note that this sum is included in the fees charged on a previous report. Your proposal to cancel the amount on the first named report is therefore in order.

I am, Dear Sirs,

Yours faithfully,

Secretary.
