To Lloyd's Register of Shipping

G e n o a .

We beg to send you a demonstrative scheme of the
"De Domenico Fuel Economiser", Italian Patent N°328974 (Extended to
all European Countries) which it is the intention of the Steamship
Company "PETROLEUM" to fit on the tanker "ALABAMA" classed with
Lloyd's Register and the R.I.N.A.

It is our intention to carry out the work of fitting this
under the supervision of your Surveyors.

Under the supervision of the R.I.N.A., similar installations
have already been fitted on the steamers "GIAMBATTISTA", "LUISA" and
"TENACE".

We attach to the present some drawings of the general
arrangement as well as a photograph of a model.

We are, Dear Sirs,

Yours faithfully,

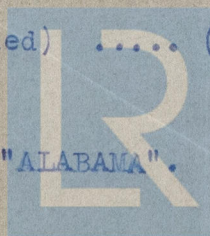

I.M.I.
