Extract from the Society's Rules for Yachts. The following Fees are to be charged to Owners of Yachts for surveying yachts prior to Classification in the Register of Yachts when such surveys are by the Society's Exclusive Surveyors in Great Britain and Ireland :—

For all surveys held at ports abroad, fees will be charged according to the nature and extent of the services rendered.

For the Special Survey during construction of Yachts (to entitle them to the distinctive mark ∇), for each Yacht the fee will be £14 where the equipment numeral, computed according to the Rules, does not exceed 200. Where the equipment numeral is in excess of 200, the fee is to be increased at the rate of £2 per 100 up to and £1 per 100 above 500.

For Engines built under the special superintendence of the Surveyors (to entitle them to the distinctive mark in red) :—Five shillings per nominal horse-power for the first 250 horse-power ; three shillings for each horse-power from 251 to 500 ; one shilling for each horse-power from 501 to 1,000, and sixpence for each horse-power above 1,000. No Fee to be less than £9.

For the survey and testing of each riveted air receiver the following fees will be charged :—

For each riveted air receiver up to 200 cubic feet capacity	£2	2s.
For each riveted air receiver over 200 and up to 300 cubic feet capacity	£3	3s.
For each riveted air receiver over 300 cubic feet capacity	£4	4s.

Where seamless air receivers are made at works other than those at which the engines are constructed additional 10s. 6d. per receiver will be charged, provided that in no case shall the fee charged be less than £1 1s. per yacht.

For the survey and testing of steam boilers fitted in Motor Yachts, additional fees will be charged in accordance with the Society's usual scale.

MEM.—In all cases where travelling and other expenses are incurred by the Surveyors in connexion with the above services, the same to be defrayed by the parties interested.
