Reference

S.

Dear Sir,

In reply to your letter of the 20th instant and the Yacht "CAMPEADOR V" I beg to inform you that I have had no Certificates for the dynamos and motors and on enquiry during the fitting out the Builders informed me that all material had been ordered to our requirements and tests, but that no Certificates were supplied for these auxiliaries. This has been confirmed by Messrs. Philip & Son in a letter of yesterday.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
