

Permanent Ballast 11 1/2 tons of cement punchings and

COPY.

Enclosures

19th August, 1937.

Dear Mr. Miller,

I am returning to you the Special Survey Request Form for Messrs. Philip & Son Ltd. Yard No. 847, and think it well to point out that the wrong form has been used in this case.

As perhaps you have not a supply of the correct form I am enclosing a small quantity herewith. I shall be much obliged if you will kindly arrange for one to be filled in by the Builders for this vessel and forward it to me in due course.

Yours sincerely,

T. Miller, Esq.,
PLYMOUTH.
