Enclosure.

24th May, 1938.

Dear Sir,

E.

I return herewith the plan, forwarded with your letter of the 20th instant, of exhaust system proposed by Messrs. Gleniffer Engines Ltd., in connection with Messrs. Philip & Sons' Yard No. 847, and I have to inform you that this plan will be approved provided the installation be fitted to the satisfaction of the Surveyors.

I may add that no objection will be taken to the fitting of flap valves to the cooling water overboard discharge connections provided these valves are found to function satisfactorily under working conditions.

I shall be obliged if you will kindly arrange for a verified copy of the plan now approved to be forwarded to this Office for purposes of reference.

I am, Dear Sir,

Yours faithfully,

The Secretary,
GLASGOW.
