

Shipbuilders: Messrs. *Philip & Don*

Yard No. *847*

Engineers: Messrs.

Engine No.

It is submitted that the ~~plan of~~ *Firm* be informed
the contents of their letter ~~merit approval~~
~~for~~ together with the sketches now submitted
~~provided~~ have been carefully considered and
although the strength of the couplings is
reduced, as previously pointed out, the proportions
now shown indicate that the necessary
margin of strength has been maintained.
In the circumstances it is considered that
the couplings could be accepted in this
instance provided the scantlings be found
in accordance with sketch "B" and the
Surveyor be entirely satisfied.
