Dear Sir,

E.

I beg to acknowledge the receipt of your letter of the 25th instant with further reference to the matter of the ventilation of the engine room of Yard No.847 building by Messrs. Philip & Son, from which it is noted that one fan will deliver below the floor plating and the other to the upper part of the engine room, and I am directed to inform you that provided the arrangement on board be to the satisfaction of this Society's Surveyors, no objection will be taken to this proposal.

I am, Dear Sir,

Yours faithfully,

Secretary.
