Dear Sir,

E.

I duly received your letter of the 12th instant respecting the ventilation of the Engine Room of Yard No.847 building by Messrs. Philip & Son, and your remarks have been carefully noted.

In reply I have to inform you that no exception will be taken to the proposed system of ventilation consisting of two fans, both delivering to the lower part of the machinery space, provided the arrangement be installed to the satisfaction of this Society's Surveyors.

I am, Dear Sir,

Yours faithfully,

Secretary.
