Dear Sir,

In reply to your letter of the 21st inst.,^{ult.} re Fuel Oil Arrangement, we have been in touch with the Designer, and the following is an abstract from his letter:-

"The fuel tanks are not intended to be filled by pump-

"from a gravity flow".

The other points in your letter and the letter received from your Plymouth Surveyor dated 7.10.37 will be carried out as you desire.

Yours faithfully,
