LONDON, E.C. 3.

Dear Sir,

YACHT NO. 847.

The Cast Steel Stem and Stern Pieces for the
above vessel were, as you are no doubt aware, manufactured
for us by Haine St. Pierre Forges-Usines & Fonderies, S.A.
Haine Saint Pierre, Belgium.

We have to-day received from them a letter and
account, copies of which are enclosed, from which you
will observe that we are asked to pay these fees to them.

As, however, the construction of the Ship is
being carried out under survey, we are of the opinion
that these fees and expenses will form part of the
inclusive charge payable by us on the Survey of the
vessel.

We shall be pleased to hear from you hereon at
your earliest convenience.

Yours faithfully,
For PHILIP & SON, LIMITED.
