Dear Sir,

Yacht No. 847.

We placed an order with Mr. John Folkes, Lye Forge,  
Nr. Stourbridge for one Rudder Stock and two Tiller Arms for  
use in constructing the above named vessel, building under  
your survey.

Mr. John Folkes has presented to us an account, of  
which we send you a copy herewith.

We understand however, that the fees payable direct  
by ourselves for the survey and classification of this Yacht  
cover such an item as we now refer to, excepting, of course,  
travelling expenses.

We have been in touch with Mr. Folkes on the subject  
and asked him to get the point settled by the local Surveyor;  
so far, however, the said gentleman does not agree our content-  
ion and we shall be glad therefore if you will give us a ruling
