6th December, 1937.

Dear Sir,

M.

I am in receipt of your letter of the 4th instant from which I note that the keel of Messrs. Philip & Son's Yard No. 847 has been laid with the butts arranged for electric welding, including the connection of the stern frame.

With regard thereto I have to state that these arrangements will be approved, provided the welding be carried out to your satisfaction.

I am, Dear Sir,

Yours faithfully,

Secretary.

T. Miller, Esq.,

PLYMOUTH.
