Dear Sir,

Yacht No. 847.

Referring to your approval of plan No. 10,673.S. shewing details of F.W. Ballast and O.F. Tanks, we return one copy to ask you for a clearer definition of the notation "All bulkhead stiffeners to have brackets top and bottom". Does this mean on stations No. 46 and 62, which are the only bulkheads indicated on the plan?

Your reply will oblige.

Yours faithfully,

FOR PHILIP & SON, LIMITED.

James Secretary.
