Dear Sir,

M.

I am in receipt of your letter of yesterday's date respecting the twin screw motor yacht No. 847 building by Messrs. Philip & Son Ltd., and with regard thereto I have to inform you that the Designer of this yacht, Mr. Norman Hart, has already called at this Office respecting the omission of the angle stringer in the engine room. He was informed that this angle might be omitted provided the upper deck beam knees be increased to 15 inches in depth and one additional rivet fitted.

I may add that he has advised the Builders accordingly.

I am, Dear Sir,

Yours faithfully,

Secretary.

Mr. T. Miller,
PLYMOUTH.
