

LEADENFLOWER COACHWORKS,

Mr. Chalmers,
Lloyd's
Yacht Department,

LONDON. E.C.3.

Crieff, 12th March, 1938.

Dear Sirs,

I thank you very much for your letter and I noted the contents of same.

To save time I have written to the Deutz Agents at Rotterdam and they wired their reply about a week later which I enclose.

I am going over to Holland and I fixed an appointment with their representative on Tuesday the 15th and will let you know on my return if I have been successful. I would really like to cancel the order for the engine and give it to some other firm but I have got to use great care in doing so for the firm to deliver in time.

Thanking you very much for your kind assistance.

I am,

Yours faithfully,

Peter Curran
