The Secretary.  
LONDON.

S.S. IROQUOIS

Dear Sir,

We have to enclose blue prints in triplicate showing diagrammatic arrangement of deep ballast tank etc. for the above vessel. This space, frames 48-57 was originally used for bunkers either coal or oil and is now being arranged as a deep tank for water ballast.

The original pumping plan, together with Profile, Midship Section and F.E. Reports are enclosed for reference and we shall be glad if these may be returned to this office with the copies of the plan now submitted when approved.

We are, Dear Sir,

Yours faithfully,

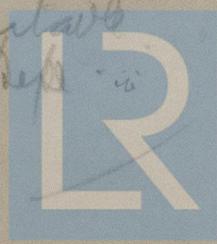

The Surveyors,

per.

*R. J. [Signature]*

Enclosures.

*enclosed also suggesting of the bondsmen of the vessel to be sent to the Surveyors to be signed by the vessel's master that they are satisfied with the arrangements made by the vessel's master.*
