l capacity tons. FPT tons; APT tons; MT feet tons. } CHARACTER. Date of last Survey and of Periodical Surveys. Years since last Survey. Machinery and Boiler Surveys (including date of N.B., if any).

st Report, No. Port

ical Surveys, when held, must be reported in detail and serial in the terms of the Rules. State clearly the account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the cement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

ize cases where the Surveyor has not made a special damage report he is required to state whether he has rendered his services for this purpose and to whom and why they were declined

Carrying petroleum in bulk Fitted for oil fuel 2.16 F Above 150° F Society's Freeboard (if assigned) as painted on Ship and now verified ft. ins.

Was a damage report made by anyone else? If so, by whom?

RS, OR EXAMINATION AS PER RULE, FOR
