Action regarding the carrying out of the  
2nd Special Survey No. 3 (due 6.43) etc., was deferred  
as the vessel was under requisition to the Admiralty.  
The vessel later became the property of the  
Ministry of Transport but Messrs. Jas. N. Connell  
have now informed the Society's Glasgow Surveyors  
that they have purchased the vessel for breaking up.  
The vessel is at present lying at Fort William but  
will be brought round to the Clyde for breaking up  
when the weather improves. The Glasgow Surveyors  
will advise this Office later when the work of  
demolition has been commenced.
