Dear Sirs,

"RIAN"

With reference to yours of the 10th instant,
on looking into this matter it would appear that the above
vessel is under Bare Boat Charter to the Admiralty, and
therefore we regret it does not seem possible that we can at
the moment make arrangements to have the vessel available for
Survey.

As soon as the position changes, however, we
shall take up with you again.

Yours faithfully,

NETHERLANDS SHIPPING & TRADING COMMITTEE, LTD.
