Dear Sirs,

m.v. "RIAN"

With reference to yours of the 27th ultimo,
according to our records it would seem that the above
vessel was surveyed in July 1940 in Surrey Commercial
Docks.

We presume that there are a few other items
which have to be dealt with by you, and we propose letting
you know in due course where the vessel is available, so
that arrangements can be made without in any way interfering
with the vessel's commitments.

Perhaps you could give us an indication of
your requirements, bearing in mind that as stated the bottom
of the vessel was seen last July, and we shall be glad to
hear from you further in due course.

Yours faithfully,

NETHERLANDS SHIPPING & TRADING COMMITTEE, LTD.
