

WOKINGHAM COPY.

2nd January, 1941.

Dear Sirs,

H With reference to my letter of the 27th August last respecting the motorship "RIAN", I shall be obliged if you will kindly let me know when it is anticipated an opportunity will be afforded for the engines to be examined under working conditions.

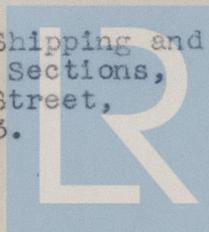

I think it well to point out that a further General Examination of the hull is required before the end of the present month, and it is concluded that this inspection will take place when the engines are submitted for examination.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
