Dear Mr. Peskett,

With reference to your talk with Dr. Dorey regarding the case of the "VARVASSI", it is considered that opportunity should be afforded for you to discuss the matter with the Owners' Agents here, Messrs. Chandris (England) Ltd. and with a view to arranging a mutually convenient time, perhaps you would be good enough to let me know when you will be calling here on your return journey so that I can arrange for a Representative of the firm to call here for the proposed talk.

With kindest regards,

Yours sincerely,

B. Peskett, Esq.
