Case of the Steam Trawler "SEA MONARCH".

No. 63038 in Reg. Bk. \_\_\_\_\_ tons, Built \_\_\_\_\_

Classed \_\_\_\_\_ Owners \_\_\_\_\_

Port of Registry \_\_\_\_\_

Survey Due 2nd Special Survey No. 3 due 5.40.  
Boiler Survey due 5.40.  
Screwshaft liner and thrust shaft to be renewed by  
the end of 5.40. (20 months limit).  
Screwshaft Survey due 9.41.

-----

Action regarding the carrying out of the above surveys was deferred as the vessel was under requisition to the Admiralty.

The vessel later became the property of the Ministry of Transport but Messrs. Jas. N. Connell have now informed the Society's Glasgow Surveyors that they have purchased the vessel for breaking up. The vessel is at present lying at Fort William but will be brought round to the Clyde for breaking up when the weather improves. The Glasgow Surveyors will advise this Office later when the work of demolition has been commenced.

SUBMITTED for the  
consideration of the Committee.
