17th October, 1946.

Dear Sirs,

H.

I beg to acknowledge the receipt of your letter of the 14th instant relative to the Tug "SECURITY". Your remarks have been submitted to the Committee, and in reply I am directed to inform you that in view of the fact that the Screwshaft Survey became due in October 1945, the Committee consider that definite arrangements must be made for the requisite inspection to be carried out by the end of next month.

I take this opportunity to remind you that the Boiler Survey will also become due at the end of the present month.

Yours faithfully,

Clerk to the  
Classification Committee.
