

Mr. Bryden

7th January, 1949

Dear Mr. Nicholas,

"SECURITY"

I spoke to Mr. Bryden about our telephone conversation when you suggested that Mr. Chisholm might be asked to attend the formal investigation into the loss of the above ship, and he has been in touch with the Ministry of Transport who state that sufficient witnesses have been called and they do not think it necessary for Mr. Chisholm to be present.

Yours sincerely,

P.E.C.

J. F. Nicholas, Esq.,
SOUTHAMPTON.
