Dear Sir,

With reference to the classification of the above named vessel in the Society's Register Book, I am directed to remind you that the <sup>2nd</sup> Special Survey No. 3 prescribed in the Society's Rules for Iron and Steel Ships is now due, and I shall be obliged if you will kindly state for the information of the Committee when and at what port it will best suit your convenience to comply with this requirement, in order that the vessel's character may be duly continued in the Register Book.

I am, Dear Sir,

Yours faithfully,

P.S. At the same time I think it well to point out that the Boiler Survey became due at the end of August last, and I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.
