9th September, 1938.

Dear Sirs,

I have to acknowledge the receipt of your memorandum of the 5th instant respecting the steam trawler "ANDANES", from which it is noted that this vessel is laid up until the end of the year, and that all outstanding matters of survey will be carried out before she is again placed in commission.

In reply, I have to inform you that the Committee, who have had the case before them today, have deferred further consideration of the Boiler and Screwshaft Surveys for the present.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
GRIMSBY.
