LONDON. E. C. 3.

Dear Sir,

"GARTH"

In reply to your favour of the 10th instant, I regret to say that the exceptional weather conditions have caused Salvage work to be suspended on this steamer owing to the abnormal amount of fresh which carried down so much Severn mud and caused the wreck to silt up.

Further consideration will be given to the possibilities of raising her under more moderate conditions but there is now of course some doubt as to the prospect of doing so at a reasonable cost.

Yours faithfully,  
p.p. BRISTOL SAND & GRAVEL CO LTD.

Director.
