Received by Chief Ship Surveyor

Received from Chief Ship Surveyor 29 JUN 1938

VESSEL'S NAME "NORTHGATE" Rpt. Nwc. No. 96336

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/32.)

The Newcastle Surveyors report this vessel examined afloat and converted for the purpose of carrying and pumping sand in bulk by the construction of sloping bulkheads in the hold in accordance with approved plan.

The vessel is now under Survey at Cardiff.

It is submitted action be deferred pending the receipt of a report from the Cardiff Surveyors.
