Dear Sir,

We herewith forward the plans of the s.s. "NORTGATE"  
Messrs. R. & W. Hawthorn Leslie & Co's No. 539, which should  
accompany the First Entry report sent yesterday.

It will be observed that these are copies of  
the original approved plans which have been obtained from the  
Builders as substitutes for the originals which have been mislaid  
in this Office during the Office cleaning at Easter.

They have been carefully searched for without  
result, but, as it is inconceivable that they have been removed  
from the Office, it is expected they will be found and will be  
forwarded later.

The copies have been verified from the Builders  
copies, but, if considered necessary, they can be verified from  
the certified copies already in the London Office.

We are, Dear Sir,

Yours faithfully,

*The Surveyor*  
*John G. Brown*

The Secretary,  
London.
