## QUESTION.

I shall be glad if you will certain and let me know what arrangements are proposed to be made to carry out the General Examination, which will become due at the end of next month.

At the same time I shall be glad to learn the Owners' intentions in regard to the carrying out of the Hull and Screwshaft Surveys, which became due at the end of September and July last, respectively.

I think it well to add that according to shipping papers the vessel, which arrived at Portland, Oregon, on the 11th July last, is to be re-named "FLOMAR" under the American Flag.
