71, Fenchurch Street, E.C.3.

ENCLOSURES.

27th May, 1946.

Dear Sir,

With reference to your memorandum of the 28th February and my letter of the 15th March last relative to the Steamer "PAN CAROLINA", I have to point out that this vessel is again due for a further General Examination. It is concluded that the vessel is still laid up and in the circumstances the Committee require that the usual Undertaking should be furnished in this case. I therefore enclose the Form of Undertaking required and shall be glad if you will arrange for it to be completed and returned to this Office in due course. A copy of the form is also enclosed for retention by the Owners if required.

Yours faithfully,

Clerk to the
Classification Committee.

The Principal Surveyor,
NEW YORK.
