Dear Sir:

I am in receipt of your letter of the 19th instant, relative to the fees shown in Newport News Report No. 5002 on the survey for reclassification and conversion into a tanker of the Steamer "BULKOIL", the contents of which have been noted.

With regard thereto, I may say that the distribution of these fees has been the subject of recent correspondence with Mr. Hudson, as he was evidently under some misapprehension as to the credits due to the New York Office. An analysis of the total amount charged is given hereunder:
