March 12, 1937.

C.J. Hudson, Esq.,  
NEWPORT NEWS.

Dear Sir:

"BULK OIL" - Newport News 5062

It is concluded that 30" of tank top plating is retained at each floor and that the fore and aft doubling plates are fitted to deck strake at hatch side, port and starboard, but you might kindly confirm this.

Yours very truly,

Principal Surveyor.

PS: It is concluded that the plans are being retained in connection with the conversion of the sister vessel "JOHN ADAMS".
