S.S. "DANIEL WEBSTER" - CONVERSION

Dear Sir:-

I am in receipt of your letter of the 14th inst.  
submitting for consideration one copy of Plan No. 20-1  
showing alterations to Bulkhead 25 in the case of the above  
vessel.

With regard thereto I have to state that provided  
the arrangements be carried out as shown and amended on the  
plan, the face plate on the bulkhead webs be increased to 8" x 1",  
and the work be completed to the Surveyor's satisfaction, the  
same will be approved. The welding should be done with approved electrode.

I shall be glad if you will forward three additional  
copies of this plan, one of which will then be returned to you.

Yours very truly,

Principal Surveyor.
