Dear Sir,

M. I am in receipt of Mr. French's letter of the 29th ultimo, enclosing a copy of one addressed to Mr. Geo.B.Drake, regarding the plan, approved by him, shewing arrangement of strengthening of side transverses in cargo oil space and for shortening the plan of shell longitudinals in this space in connexion with the alterations to the S.S. "DANIEL WEBSTER", together with a copy of the plan in question, and I have to state that the contents have been duly noted.

While thanking Mr. French for his attention in the matter, I think it well to draw attention to paragraph 5, regarding flanging, of my letter of the 22nd June last.

I am, Dear Sir,

Yours faithfully,

Secretary.

W. Bennett, Esq.,
