Dear Sir:-

Replying to your letter of the 24th ult. respecting approval of General Arrangement Plan in connection with conversion of the above named vessel to a bulk oil carrier, I wish to state that it is not practicable to extend the poop to scarp the oil fuel bunker, but special scarping, which Mr. George B. Drake discussed with Dr. Montgomerie, will be submitted.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,

LONDON†
