S.S. "DANIEL WEBSTER"

Dear Sir:-

I enclose herewith General Arrangement Plan in connection with the proposed conversion of the above vessel from a general cargo ship to a bulk oil carrier, as it would appear that this plan was omitted from the enclosures forwarded with my letter of the 5th instant.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,
LONDON.

 It is submitted for your consideration that the proposed alterations to the plan of the ship are not practicable or desirable. The alterations proposed are of a nature which would involve a complete reconstruction of the ship, and it is considered that it would be more economical to build a new ship than to attempt to alter the present one. The alterations proposed are of a nature which would involve a complete reconstruction of the ship, and it is considered that it would be more economical to build a new ship than to attempt to alter the present one.
