The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The Hull Surveyors report this trawler placed on a slipway, the bottom coated, and the requirements of the 2nd Special Survey No. 2, due 6.40, partly complied with.

It is stated the Survey will be advanced as opportunity offers.

It is submitted the vessel appears worthy to remain as classed with record of survey 5.40.
